|----|-------------|---------------|----------------------------------------------|--|

## 2・Recall — 日本語 → English

Cover section 1. Write the reading (ふりがな) and the English meaning.

| 日本語         | READING (ふりがな) | ENGLISH |
|-------------|----------------|---------|
| よてい<br>予定   |                |         |
| じかん<br>時間   |                |         |
| きしょう<br>起床  |                |         |
| しょくじ<br>食事  |                |         |
| おやつ         |                |         |
| レク          |                |         |
| ひるね<br>昼寝   |                |         |
| にゅうよく<br>入浴 |                |         |
| めんかい<br>面会  |                |         |
| しょうとう<br>消灯 |                |         |
| しゅうしん<br>就寝 |                |         |
| じゅんかい<br>巡回 |                |         |

## 3・Produce — English → 日本語

Now the other way round. Write the Japanese word — this is the direction you need on shift.

| ENGLISH                                          | 日本語 |
|--------------------------------------------------|-----|
| schedule; plan (今日[きょう]の 予定[よてい] = today's plan) |     |

|                                                                  |  |
|------------------------------------------------------------------|--|
| time (食事[しょくじ]の 時間[じかん]です = it's mealtime)                       |  |
| getting up; wake-up time — the first thing on the day's schedule |  |
| a meal; mealtime — breakfast, lunch and dinner                   |  |
| afternoon snack — often around three o'clock                     |  |
| recreation; group activities (short for レクリエーション)                |  |
| a nap after lunch                                                |  |
| bath time — each resident has set bath days                      |  |
| a visit from family; visiting time                               |  |
| lights out — the corridor lights go down                         |  |
| going to bed; bedtime                                            |  |
| rounds — checking each room during the night                     |  |
